MIKE HALE

OBJECTION TO PROPOSED CLASS ACTION
SETTLEMENT, DOC. NO. 71-2, FILED 4/15/14.

COMES NOW interested party, Joshua D. Stanley in Pro-se, an inmate at Jeffco Jail, inmate I.D. No. 343776, and hereby "OBJECTS" to the proposed settlement agreement, Doc. 71-2, Filed on 4/15/14, as it is not adequate in its intent to serve the interests of all class members, in that it doesn't address damages and losses suffered by class members, to include but not limited to physical, emotional, and financial damages, and hereby request that this Court "DENY" any proposed that doesn't offer relief to the victims in this case, and in support states as follows:

- 1.) Overcrowding at Jeffco Jail, regularly results in a reduced availability of food, Toiletries, and Personal hygiene Products, forcing detainees to purchase Products at inflated costs, to offset the effects, in an effort to maintain a level of the most basic of human needs.
- 2.) As the budget suffers continual strain, detainees are refused; Clean underwear, cleaning products for cells, and clean drinking cups.
- 3.) As Jail personnel suffer the strain of overcrowding some tasks are overlooked, such as the activation of PIN numbers, required for phone access, as this may seem to be of little importance, this oversight in conjunction with the denial of no cost legal mail supply's results in a violation of the 1st, 5th, 6th, and 8th Amendments of the Constitution of These United States of America.
